Salesforce Consultant

Employment Type
Permanent

Base Salary
£ 40,000 - £ 60,000

Industry
Salesforce

Description
I am working for an organisation that employs some of the best minds in the industry who work tirelessly to deliver excellent CRM solutions to all its customers. Their marketing professionals adapt their work approach as per the flexible needs and work towards empowering customers using advanced marketing automation tools and salesforce ecosystem.
Right now, they are hiring for a Salesforce Consultant who is a self-starter and is proficient working on the Salesforce platform as part of a team.

Key Responsibilities
• Elicit business requirements by liaising with various business units and professionals
• Translate requirements into suitable solutions following best practises
• Gather, develop and analyse business requirement
• Oversee the project build, communicate with the in-house technical team and junior consultants

Requirements
• Hands-on Salesforce experience – either in a consultancy/ISV or end user environment
• Strong configuration skills, confident utilising and implementing best practises
• Ideally hold at least one Salesforce Certification
• Any exposure or understanding of Pardot or Marketing Cloud is highly attractive but not essential

Why You Shouldn't Miss This Opportunity
• Recognise the focus on work life balance and have adopted a mature, forward thinking culture.
• Flexibility to work from home but also have access to their great office in Central London.
• Competitive salary up to £60,000
• Private Vitality Health Care
• PerkBox
• 25 holidays + bank holidays
• Personal Development Plan
