

Salesforce Functional Consultant

Employment Type

Permanent

Base Salary

£ €50,000 - £ €80,000

Industry

Salesforce

Description

Who is Hiring?

Third Republic seeks to hire a Salesforce Functional Consultant for a leading media holding company in Germany. They are a well-known name in the area of communications, advertising, and marketing.

They help their clients implement marketing technology through the entire customer journey. My client's company has a presence in multiple cities in Germany and their business growth has been quite remarkable over the last few years.

Key Responsibilities

- Evaluate client's digital marketing strategy
- Responsible for designing a profitable technological setup
- Collaborate with various stakeholders in the complex implementation projects
- Work hard to shape the company's partnership with Google, Salesforce or Adobe
- Handle responsibility right from the start for the development of unit and at the project level
- Work as an expert in marketing technologies and a project manager

Requirements

- Deep knowledge in marketing areas like programmatic advertising, marketing automation
- Solid digital marketing / online marketing
- Ability to communicate complex technical issues to different stakeholder groups
- Minimum 3 years' professional experience in the field of customer/corporate consulting
- Must have project management experience in project planning
- Ability to offer product-specific solutions related to Salesforce, Adobe, Oracle, Google
- Fluent in German and English
- Be an active team player
- Ready to travel 1-2 days per week

Why You Should Not Miss This Opportunity

- Attractive market-based salary
- Other incentives
- Opportunity to learn and grow

Third Republic is a new breed of agency helping people skilled in advanced technologies to further their careers. We have a plethora of unique job opportunities
