Description

Who is Hiring?

Third Republic has partnered with a fast-growing and disruptive food delivery marketplace located in Berlin. They have a fantastic position for a dynamic and expert Salesforce Administrator to join their organisation. Their focus is on building the next generation online food-delivery platform having data at its soul. My client is looking for a candidate who loves their job and can think out of the box.

Key Responsibilities

- Ensure data integrity, security and daily basic audits
- Manage mass imports and exports of data and provide high quality support via ticket system
- Create user profiles, field-level security, content folder rights, groups
- Handle overall system configuration, change control
- Develop and maintain documentation on processes, policies, application configuration
- Work as POC for Salesforce Users and Country MDs
- Implement best practices for emergency Salesforce procedures
- Maintain security such as user accounts, mobile user accounts, sharing rules, user roles
- Build bespoke page layouts, record types Salesforce fields
- Create searching, list views, queues, reports, and dashboards

Requirements

- Should have a B.S. or B.A. college degree
- Hands-on experience in relational databases design concepts and data management
- Having experience in Salesforce migrations would be advantageous
- Over 3+ years technical support for web-based applications
- More than 3+ years' of working experience in Salesforce Administrator
- Good understanding of Salesforce coding APEX, Java
- Deep knowledge of Salesforce integration options.
- Proficiency with Data Loader, Workbench, Excel, Plug-Ins
- Previous hands-on troubleshooting experience
- Having experience in people management experience would be beneficial

Why You Should Not Miss This Opportunity

- International working atmosphere
- Flexible working hours
- Great career opportunities
- Pension scheme and stability
