Permanent

Base Salary

£ \$110,000 - £ \$160,000

Industry

Salesforce

Description

Third Republic has partnered with one of the largest professional IT consultancy services provider to large conglomerates. They help enterprises embrace the power of digitalization to grow their business. My client is constantly featured among the most respected companies in the world.

My client is looking for an enthusiastic Salesforce Functional Lead who would collaborate with the clients to build a pragmatic and hands-on approach to delivering technology strategy and solutions.

Responsibilities

- Understanding software engineering life cycle for development
- Concepts and practices required to implement effective information systems
- Translating business requirements into well architected solutions
- Architecting and documenting technical solutions aligned with business objectives
- Identifying gaps between current and desired end states
- End-to-end delivery of Salesforce projects

Qualifications

- Must have minimum 10 years of overall IT experience
- Minimum 5 years of Salesforce experience
- Worked as an architect in at least 2 projects
- Well versed in configuration, customization and integration.
- Knowledge of integration tools such as Oracle, NetSuite, marketing automation, reporting
- Salesforce certification (minimum 1) is required
- Having an advanced degree would be an advantage
- Additional Salesforce certifications would be an added advantage
- Experience in Commerce Cloud, Field Service Lightning and/or Marketing Cloud would be ideal

Benefits

- Attractive remuneration
- Excellent work-life balance
- Other benefits and perks
