Permanent

Base Salary

£ \$110,000 - £ \$160,000

Industry

Salesforce

Description

We are looking to hire for a high-profile role of Director of Professional Services for a leading provider Salesforce Partner in the US. They are undisputed market leader in non-profit sector.

My client has a stable financial position and are growing very fast on year after year basis and there is a lot of opportunities for professional growth in the company. Apart from this, it's a fully remote/home based job. If this sounds exciting, we are looking for you.

Responsibilities

- Handle a team of professional services staff
- Offer mentorship through regular sessions in team meeting
- Carryout goal setting and performance reviews for staff
- Conduct resource planning and develop profitability model for professional services
- Build in scalable implementation models for supporting company's client base
- Measure performance in key business metrics like delivery of service, client satisfaction, and system performance
- Evaluate project risks, fix issues and complete deadlines
- Gathers feedback and refine Cloud Service Offerings
- Collaborates with all functional areas of the business

Qualifications

- Familiar with Salesforce Education Data Architecture (EDA)
- Proven experience in developing and implementing professional services best practices
- Prior team handling experience
- Should have a Bachelor's degree in a related field or equivalent education/experience required.
- More than 6 years' experience in client services or in consulting services
- Over 3 years' experience in managing Salesforce implementations
- Should have at least 3 years' experience of managing customer deployment
- Should have Salesforce Partner Track Certification (Developer or Cloud Consultant certification).
- A desire to work in a fast paced environment
- Very good written and verbal communication skills
