

## Salesforce Admin

### Employment Type

Permanent

### Base Salary

£ 40,000 - £ 60,000

### Industry

Salesforce

### Description

Who is Hiring?

I have presently partnered with a leading renewable energy company that powers thousands of homes and organisations with its innovative green energy solutions. They continue to push its limits of innovation and working hard to reduce carbon footprints through green energy.

They are currently aiming to expand their operations and hire a young and dynamic Salesforce Administrator. If you have proven knowledge of Salesforce platform and can actively work towards maximising green energy efficiency, this job is yours!

Key Responsibilities:

- Providing technical support to end users
- Monitoring and troubleshooting system integrations
- Collaborating with QAs' and product teams in an agile environment to improve
- Enforcing best practices and governance measures for support of the solution
- Constantly offering new applications and solutions
- Gathering requirements from end users and identifying business problems
- Provide support functions and handling ad hoc requests
- Handling responsibility of creating and maintaining fields, page layouts, validation rules, triggers and workflows
- Providing insightful reports
- Maintaining user licenses
- Designing, creating and maintaining user roles, profiles and hierarchies
- Taking care of security including sharing rules and security levels
- Reassigning Accounts, Contacts, Cases and Opportunities
- Monitoring application storage usage
- Managing system changes without interruption and communicate change

Requirements:

- Experience in full life cycle changes including coding, complex configuration and CRM integration
- Maintaining, enhancing and creating workflows, process builders and custom objects within the [Salesforce.com](https://www.salesforce.com) environment
- At least 3-years in a Salesforce Administrator role
- Experience in agile
- Knowledge of Salesforce Marketing Cloud, Community Cloud, DMP or other
- Exposure to relevant Salesforce products would be a plus
- Having a Salesforce Certification would be an added advantage

Why You Should Not Miss This Opportunity

- Remuneration up to £60,000
