Permanent

Base Salary

£ 40,000 - £ 60,000

Industry

Salesforce

Description

Who is Hiring?

I am looking to hire a Salesforce Administrator for a real estate broker platform in the UK. They are looking for someone who could work closely with the in-house development team. If you have a passion for creating Salesforce workflows, you could be part of this amazing growth story.

Key Responsibilities

- Actively participate in the Salesforce roadmap
- Convert requirements into actionable deliverables
- Be passionate about measuring the ongoing success of what you deliver
- Drive delivery of Salesforce/Internal system enhancements at a rapid pace
- Create dashboards for different user types/groups
- Participate in the integrity of Salesforce data, processes, dashboards, reports, inputs & outputs
- Create workflows for multiple customer types (personas) to help deliver fantastic customer service that supports the sales cycle

Requirements

- Knowledge of SOQL, SOS, APEX and APEX triggers
- Familiar with combining workflow rules and triggers
- Prior experience in unit test writing, changesets for deployment, build new/enhanced process builder journeys
- At least 2-3 years Salesforce experience

Why You Should Not Miss This Opportunity

- Attractive salary between £40,000 to £60,000 as per experience
- Friendly work atmosphere
- Other incentives
