

Salesforce Administrator

Employment Type

Permanent

Base Salary

£ \$110,000 - £ \$160,000

Industry

Salesforce

Description

I am working with a data analytics startup that helps businesses with its award winning creative experience for world's leading brands. My client's company has helped thousands of clients increase their sales by enhancing the user experience at all customer touchpoints. They have saved millions of dollars by ensuring properly synchronized brand messaging.

My client is looking for a candidate who can handle routine Salesforce maintenance work independently. The ideal candidate will have prior experience and be a self-starter. My client offers rewarding career for talented and hardworking individuals.
