Description

Who is Hiring?

I am working with a dynamic and fast-growing publicly listed company that offers multi-platform content service. They have a vast range of products, services, intelligence and expertise powered by unmatched cutting-edge data backed technology.

Its market intelligence and insights are highly respected globally. My client is growing at incredible pace. They have an exciting and challenging position for a Sales Administrator who can help them increase sales and revenue.

Key Responsibilities

- Diagnosing and understanding issues and service requests
- · Analyzing support incidents and service requests
- · Taking care of administration of the Salesforce CRM solution including:
- User management
- · Profiles, role hierarchy
- · Sharing rules, groups
- · Single sign-on
- Handling product and price book management
- · Handling data management that includes data loader and Jitterbit
- · Taking care of new fields, page layouts, formulas, validation rules
- Hands-on experience in workflow and maintenance of existing functions
- Prior experience in documentation and administration of solution library
- Handling user queries within SLA
- · Actively contributing to new functional implementations
- Guiding people in Salesforce functionality
- · Maintaining training documentation

Requirements

- Over 2+ Years' Salesforce Sales Cloud experience
- · Very good knowledge of Salesforce functionality
- Familiarity with Salesforce administration/support experience
- Hands on knowledge and experience in Salesforce configuration experience would be an added advantage
- · Having a media background would be a plus
- Having a Salesforce Certified Administrator certification would be beneficial

Why You Should Not Miss This Opportunity

- Salary upto £40,000 p.a
- · Other benefits and perks
